THE AMERICAN ARTIFICIAL LIMB COMPANY.

CONSOLIDATION OF DR. PALMER'S PATENTS FOR THE ARM AND LEG.

ADOPTED FOR THE UNITED STATES ARMY AND NAVY.

The PALMER patents have been consolidated, and become the property of a Company, with ample capital, of which DR. PALMER is the President, and in which he retains a large interest. He will continue to give his personal supervision to every branch of the business.

Discharged Soldiers, who desire the "PALMER LEG," or "PALMER ARM," or the "LINCOLN ARM," should forward their *discharge papers to one of the Offices of the Company*, when they will be furnished with all necessary information how to proceed to obtain an order for the Limb.

Sailors should apply to a Naval Surgeon, who will give them the necessary instructions.

The prices of the PALMER LIMBS are the same as heretofore to *officers* and *civilians*.

All information that may be desired will be furnished on application, in person or by letter, to the *President of the Company*, addressed to any of its offices.

"GET THE BEST."

Solicitor of Patents, Treasurer.

BROWN'S
ESSENCE JAMAICA GINGER,

MANUFACTURED ONLY AT

FREDERICK BROWN'S DRUG AND CHEMICAL STORE,

N. E. Cor. Fifth & Chestnut Sts., Philadelphia.

Attention is called to this valuable remedy, which should be in every family, and for the Army and Navy it is indispensable, curing affections of the stomach and bowels, and is a certain preventive from the effects of bad water.

CAUTION.—To prevent this valuable Essence from being counterfeited, a new Steel Engraving, executed at great cost, will be found on the outside of the wrapper, in order to guard the purchaser against being imposed upon by worthless imitations.

BROWN'S ESSENCE OF JAMAICA GINGER.—We would call the attention of our readers to the advertisement of this valuable remedy, which, independent of the necessity of its being in every household, should be distributed among our brave volunteers. It is easily carried, and would be the means of saving life, as a teaspoonful in a little water restores a soldier who gives out from fatigue and exposure to the sun, relieves at once affections of the stomach and bowels, and as a Colonel of one of the regiments now on duty in Virginia says, "He would as soon go to the field without gunpowder, as without F. BROWN'S Essence of Jamaica Ginger."—*Philadelphia Inquirer.*

F. BROWN'S ESSENCE OF GINGER AND CHOLERA MIXTURE.—We cannot do the public greater service at this season, than to call their attention to the above valuable remedy, which should be in the hands of every family, while no person about to travel should leave the city without them Every officer and soldier should have a bottle, as it immediately restores when overcome from fatigue or exposure to the sun, and is indispensable.—*Evening Bulletin.*

ALSO,

BROWN'S CHOLERA MIXTURE,

For the Prevention and Treatment of

The Decimal System of Numbering Houses.

One Hundred Numbers are set apart for each square, and the initial or starting-points are at the Delaware River and Market Street.

Persons can, by merely looking at the numbers on the Houses, know how many squares they are from the Delaware or Market Street.

By-Streets are numbered as though they extended to the Delaware or Market Street.

Numbers properly arranged, suggest distances to the mind; but improperly placed, they lead to confusion.

SCHENCK'S

PULMONIC SYRUP,

For the Cure of Consumption, Coughs & Colds.

The great virtue of this medicine is, that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.

SCHENCK'S

MANDRAKE PILLS,

For the Cure of Liver Complaint, &c.

These Pills are alterative, and produce a healthy action of the Liver, without the least danger, as they are free from Calomel, and yet more efficacious in restoring a healthy action of the Liver.

SCHENCK'S

SEA-WEED TONIC,

For the Cure of Dyspepsia, Indigestion, &c.

The Tonic produces a healthy action of the Stomach, creating an appetite, forming chyle, and curing the most obstinate cases of Indigestion.

The above is a correct likeness of DR. SCHENCK taken many years ago, after he had recovered from Consumption by a course of SCHENCK'S PULMONIC SYRUP. The likeness although it does not represent him anything like as bad as he was at the worst, yet it is in strong contrast with the hale and vigorous looks of the portrait below, which is the true likeness of him at the present time. The contrast between these two portraits is so great that many would not believe them to be the same person.

These remedies are a certain cure for Consumption, as the PULMONIC SYRUP ripens the matter and purifies the blood. The MANDRAKE PILLS act upon the Liver, create a healthy bile, and remove all disease of the Liver, often a cause of Consumption. The SEA-WEED TONIC gives tone and strength to the Stomach, makes a good digestion, and enables the organs to form good blood, and thus creates a healthy circulation of healthy blood. The combined action of these Medicines, as thus explained, will cure every case of Consumption, if taken in time, and the use of the Medicines persevered in.

DR. SCHENCK'S principal Office and Laboratory is at the Northeast corner of SIXTH and COMMERCE Streets, Philadelphia, where all letters for advice or business should be directed. He will be found there every SATURDAY, professionally to examine lungs with the Respirometer, for which his fee is three dollars; all advice free. In NEW YORK, at 32 BOND STREET, every TUESDAY, from 9 A.M. to 3 P.M. At the MARLBORO' HOTEL, BOSTON, January 18 and 19, February 15 and 16, March 13 and 16, April 19 and 20, May 17 and 18, June 13 and 15, July 19 and 20. The time for my being in BALTIMORE and PITTSBURGH will be seen in the daily papers of those cities.

PREFACE.

More than the ordinary means have been used, and attention paid to the preparation of the City Directory for 1865. Competent persons have carefully canvassed the whole city, and the names of business men, firms, and housekeepers, it is believed, have been generally obtained, although very numerous refusals have been met with. The "terror" of the "Draft" is more extensively than ever on the people. Every person carrying a City Directory in his hand, is suspected of being an enrolling officer, either military or civil, and the very *sight* of this otherwise useful medium of information, creates suspicion of ulterior designs, and makes it impossible, in many cases, to get correct information. Spurious names are given, and the head of the family said to be in the army or navy, when the contrary is the fact. Doors are often closed and no names at all obtained; besides, other vexatious obstructions are thrown in the way.

The twenty-eighth edition, prepared by the undersigned, is presented to the public at an earlier date than usual, with the hope that it may meet with a favorable reception.

Attention is directed to the list of additions, removals, &c., in the front part of the book, in which will be found most of the "new firms" as announced in the daily papers of the first of the year.

A. McELROY.
